## Order not received

Raoul - 2018-05-27 - in Order

Our orders are stealth shipped through registered mail. On average an order takes up to 4 weeks to arrive and could be sent in multiple packages based on the size of the order. **Please note that growth solutions are always shipped separately.**

Have you been waiting for more than 4 weeks after the shipping confirmation and is your still nowhere to be found? Please contact our support team about your order.
