## Why shopping with Nirvana?

Wilfred - 2019-01-22 - in Website

### 1. Nirvana is **safe**

Nirvana will never sell, show, lend or give your personal details to anyone. Our website has been found fully secure over and over again.

### 2. Nirvana is **reliable**

Nirvana has been in the business of (cross)breeding strains and selling cannabis seeds for almost 20 years.

### 3. Nirvana is **offering fresh seeds**

Nirvana isn't just an ordinary seed bank. All our seeds are being shipped straight from the source.

### 4. Nirvana is **stealthy**

Nirvana specializes in stealth shipments. All orders are wrapped securely and discreetly to ensure they reach you safely.

### 5. Nirvana is **economical**

Nirvana offers the best prices on seeds, gives away points with each order, and runs regular special offers.

### 6. Nirvana is **customer-friendly**

Nirvana was the first seedbank to take its customers seriously. Our dedicated support team guarantees full customer satisfaction.

### 7. Nirvana is **informative**

Nirvana keeps customers informed through immediate confirmation e-mails at each stage of the order process.

### 8. Nirvana is **social**

Nirvana really cares about you as a customer. You'll find us on Facebook and Twitter, as well as on various other social networks.

### 9. Nirvana is **innovative**

Nirvana brings you several innovative and handy growth solutions to make the most of your seeds.

## 10. Nirvana is **simply the best**

Nirvana offers the highest quality seeds at the best prices, with over 30 types of top-notch cannabis strains.
