When you choose Bank Transfer as payment option, consider using an internet banking account or visit your local bank to make an international wire transfer. Your bank may charge an additional fee. Bank transfers can take up to 5 days to arrive. Be sure to include your order number in the transfer details so that we can match your payment to your order.

We are currently unable to accept Bank Transfers from Myanmar, North Korea, Sudan, Syria, Iran and Cuba.

The details that will appear on your statement will be shown to you after completing the order.

Orders placed with the Bank Transfer payment method receive a **5% discount**.

IMPORTANT NOTES Some banking services like **ZELLE**, **INTERAC** or **POPMONEY** support paying to an e-mail address. **We will NOT receive the payment if you send it to our email address.**
