Credit Card

Wilfred - 2019-11-20 - in Credit Card

Choosing Credit as your payment option is fast, easy and secure. All your personal information is encrypted by SSL (Secure Socket Layer) during the checkout process. If your credit card or bank doesn't allow foreign transactions, please contact your bank or credit card company and ask them to remove the restriction.

Please **do not** state the nature of your purchase.

Please note that payment options differ per country and region, which will be presented on checkout.

The details which will appear on your statement will be shown to you after completing the order.

Orders paid with a Credit Card, require a **surcharge**, starting at 6 US\$.

Note: if you don't see an creditcard payment option, then we temporarily don't have this option.

Due the content of our business it is hard to find a Payment Provider who's willing to proces creditcards for us.
